The great indoors

Times are changing and as our lifestyles adapt so too have our homes. We've watched fast-paced living be switched with slower, more deliberate time spent indoors. And spaces once saved for entertaining and gathering, now transform into hybrid havens for work, rest and play. So while we retreat into these inner worlds to reconnect, Meir invites you to discover a renewed sense of creativity and self-expression.

Spending close to a decade developing, designing and manufacturing premium products to elevate these everyday moments, Meir specialises in the details that make houses feel like homes. With exceptional materials, craftsmanship and care; you will relish every opportunity to stay-in.

Matte Black

Subtle yet elegant, our signature Matte Black finish pushes the boundaries of luxury tapware. Exuding sleek structure and elegance, the finish subtly accentuates natural textures like marble and timber.

Tiger Bronze

A nuanced finish created from a brushed black undercoating adorned in gold, providing a glorious midas touch. Harness the power of precious metal motifs to highlight both modern pastel palettes and more classic colour schemes.

Champagne

Set the benchmark for stylish living with a finish that exudes a sense of fluidity and versatility. The effervescence of rose-gold brings a new luxury to brass and the result is brilliant. Pair Champagne with pale timber, earthy tiling and an abundance of natural light for maximum impact.

PVD Brushed Nickel

New to the range, this chameleon finish is exceptional in a range of interior settings and palettes, offering striking aesthetics in every instance. Whether your space is commercial or closer to home, our PVD Brushed Nickel range is crafted using premium materials and the utmost care. Scheme with oak and earthy palettes for the greatest appeal.

Polished Chrome

An essential selection in both modern and classic homes. This finish delivers form and function, serving understated style through contemporary design. Its versatility, practicality and personality sees this finish thriving for decades to come.

Lavello by Meir

Handcrafted with precision, Lavello sinks are unparalleled in quality and design. Our range of kitchen sinks are engineered with an environmentally friendly PVD coating and sound-absorbing technology. With three unique finishes to choose from including Gunmetal Black, Brushed Bronze Gold, and PVD Brushed Nickel, making a splash never looked so good.

THE RANGE

All Meir products and accessories are WaterMark certified (AS/NZS 3718:2005) by the Australian Building Codes Board, providing quality, style and confidence. We create each piece from concept to production at the highest standards using DZR brass; selecting only the most reputable quality European parts and components.

Our ongoing commitment to quality allows us to provide generous, industry-leading warranty terms for all parts, products, and components which withstand the test of time both in their appearance and application.

COLOUR AND FINISH VARIATIONS

Actual colour and finish may vary. Like many other materials and furniture, our products can also vary in colour and shade from product to product, which is natural and a result of our hand-made process. This can vary in:

- Sample discs and other flat surfaces.
- Lighting and reflection in the installation location.
- Product to product due to different shapes.
